PERFECT DOORS CUBICLES

ROYAL SYSTEM SILVER

The Royal System Silver delivers a clean, professional appearance with silver-finish accessories. It is a versatile solution suitable for offices, malls, educational institutions, and public facilities.

DOOR HANDLE (Stainless Steel)

Made from stainless steel with a brushed satin finish, offering durability, corrosion resistance, and a modern look for high-traffic washrooms.

DOOR LOCK (Occupancy Indicator)

Mechanical lock with a clear vacant/occupied indicator, designed for smooth operation, durability, and easy visibility in commercial restrooms.

HINGES

High-quality stainless steel hinges ensuring smooth movement, strong door support, and long-term alignment under frequent use.

COAT HOOK

Compact brushed stainless steel coat hook, corrosion-resistant and ideal for humid washroom environments.

ANGLE BRACKET

Precision-engineered stainless steel brackets providing secure panel connections and structural stability.

SUPPORT LEG

Matte stainless steel support leg with an anti-bacterial polyamide base, offering strong load-bearing support and floor clearance compliance.

ALUMINIUM TOP RAIL

High-strength anodized aluminium top rail ensuring panel alignment, added rigidity, and a clean, minimalist finish.
